Net Resources

www.uua.org/ya-cm -- UUA's site for young adult and campus ministry. Features lots of useful stuff, including the ability to order the guide to young adult ministry and campus ministry organizer's handbook free of charge (see resources tab). Contains ideas for YA covenant groups, a good (but small - please contribute if you have good material to share!) worship, social justice and activity archive, and much more!

www.connectuu.com -- Database of individuals, groups and events. It is highly suggested that you keep your group's contact information up to date on this site so that interested people can track you down and join you! Also a good place to check in every once in a while to find out what's going on.

www.uucyf.org -- Church of the Younger Fellowship. The fastest growing congregation in the UUA is a branch of the Church of the Larger Fellowship that caters to young adults. A great way of finding additional resources for your own spirituality and connecting with a community of younger worshippers. This is also a great bridging present to keep youth involved as they move into young adulthood.

www.fuuse.com -- Social and media sharing site run by a cool core of UUs. Check it out.
